

CAMBERWOOD PATHOLOGY SERVICES
COELIAC SEROLOGY · REPORT

Patient: BYRNE, Thomas UR: 4471902
DOB: 14/03/1990 Sex: M
Collected: 16/03/1998 09:12 Lab ref: CP-98-114872
Requested by: Dr H. Nkemelu, Paediatrics, Camberwood Children's Hospital

RESULT

Anti-tissue transglutaminase IgA	4 U/mL	(ref <7)
Total IgA	1.4 g/L	(ref 0.5-2.0)
Anti-endomysial antibody	Negative	

INTERPRETATION

Serology within normal limits, consistent with good dietary adherence.
Compare with the markedly elevated result of 11/1997 (142 U/mL).

Note: sibling sample received same day under UR 4471903 (BYRNE, Aoife)
shows anti-tTG IgA 96 U/mL. Referring clinician notified separately.
